

UTILITY ACCOUNT CONFIDENTIALITY REQUEST

However, Texas Utilities Code, Chapter 182, as amended, allows utility customers to request that Personal Information (address, telephone number, and social security number) and any information relating to the volume or units of water usage or the amounts billed to or collected from the individual be kept confidential. Electric utility information is already not subject to disclosure pursuant to Section 552.133 of the Texas Government Code.

The request for confidentiality must be submitted in writing using this form or by submitting a separate letter. Once the request is received and processed, GEUS will not release Personal Information for that customer except to:

- 4) A contractor or subcontractor approved by and providing services to the utility, the state, a political subdivision of the state, or the United States;
- 5) A person for whom the customer has contractually waived confidentiality for personal information; or
- 6) Another entity that provides water, wastewater, sewer, gas, garbage, electricity, or drainage service for compensation.

Although you may have completed a form similar to this one, GEUS requests that you complete this form in order to ensure that the City can protect information you wish to remain confidential.

You may rescind your request for confidentiality by providing GEUS written permission to disclose your personal information. A government-operated utility or an officer or employee of a government-operated utility is immune from civil liability for a violation of Texas Utilities Code, Subchapter B.

If you wish to request confidentiality, please complete and return this form to GEUS. If you have any questions, please call (903)457-2800. Information may not be kept confidential unless and until this completed and signed form is received and processed by GEUS.
